Comments	Report describing the 'ethics requirements' that the project must comply related to informed consent procedures

This document describes the procedures related to informed consent of participants in the RI-URBANS project (Research Infrastructures Services Reinforcing Air Quality Monitoring Capacities in European Urban & Industrial Areas, Horizon-2020 GD project #101036245) and provides copies of the templates used for informed consent. Copies of opinions/approvals by ethics committees and/or competent authorities for the research with humans will be kept on file.

This is a Confidential document, only for members of the consortium (including the Commission Services). It will be submitted to European Commission as a RI-URBANS deliverable D62 (D9.1). It will only be available on the [EU Funding and Tendering Portal](#).
